

Rupal Desai

*Board Member*

In her free time, Rupal enjoys running on Lady Bird Lake, playing with her dog, Millie, traveling (she's been to 35 countries!), and trying out new recipes or restaurants around town. She came to Austin in 2018, where she pursued her MBA from the McCombs School of Business at the University of Texas at Austin with a concentration in Healthcare and Entrepreneurship. She loves Austin and is involved in various other local organizations including the Young Women's Alliance and Texas Exes and is excited to help further CC4C's mission!
